

Describing graphs

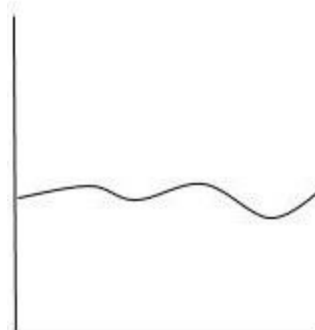

has increased
has gone up
has risen

has decreased
has gone down
has fallen

has remained steady
has stayed the same

has fluctuated

We can use adverbs like *slightly*, *gradually*, *slowly*, *steadily*, *suddenly*, *dramatically*, *significantly* to give more information about the rate of change. Add some lines to the first two graphs and label them with an appropriate adverb.

Use some of these terms to talk about how things have changed at your work, in the town you live in, in your country etc.
